

**“Paint Out” 2022 Prospectus**  
**Hosted by Artworks Around Town, Wheeling, WV 26003**

The ***Ohio Valley Plein Air Paint out*** will be hosted by Artworks Around Town on **September 28<sup>th</sup>, 29<sup>th</sup>, 30<sup>th</sup>, Oct 1<sup>st</sup>, 2nd**. The Paint Out is *open to all interested artists who register* and follow the guidelines described in this Prospectus regardless of ability.

**Our purpose** is to involve artists from beginners to professional plein air painters who enjoy a passion for painting outdoors using many of the scenic views, historic architecture, and small-town USA venues within 20 miles of Wheeling, WV. This is a paint out only, with no workshops or demonstrations. Artworks Around Town is located in the old Centre Market building in the very historical center of Wheeling. We will have meet and greet events, exhibitions, art awards, and of course painting.

**Synopsis:** Four paint-outs over four days, painting a mix of scenic views, historic architecture, and small-town USA within 25 - 30 miles of Wheeling, WV. Each day, participants will visit a different venue: (***Wednesday Evening – Artworks Around Town*** [*Meet and greet for registered artists, pick up artist packets and review Paint Out guidelines and stamp canvas*’], ***Thursday –Bethany College*** [*small college/scenic/rural*], ***Friday – Moundsville*** [*Grave Creek Mound, Old Penitentiary, haunted graveyard of former inmates, historical architecture, views of the Ohio River along the river bike trail*], ***Saturday – Oglebay Park*** [*scenic/historical*], ***Sunday – Downtown Wheeling***, [*historical architecture, small town USA, anywhere in the city*]

**Mapping:** the event for locations for venues and locations to paint for the out-of-town artist. This is a must so the artists can see the area quickly to choose a painting site for their painting. The less time spent wandering the better. The artists are anxious to find choice spots. Identify the lovely areas of your community and map it for the artists. Give them visual ideas of where to look for scenes. A Google map point will be established for each site where a steward would be to stamp canvases each day.

**Student Educational Opportunity:** Each participating artist will be given the opportunity and encouraged to work with local art students from the local middle and high schools for one day as they paint either in Moundsville on Friday or at Oglebay on Saturday. The participating artists, as they paint themselves, will donate their time and expertise to the student artists. This is an educational outreach to the school community and a means to engage a wider community audience. Participating students to be selected by their respective art teachers. Students should show both the interest and artistic ability to work semi independently, thereby needing only encouragement, direction, and technical assistance. (Students will be responsible for their own transportation). Students would be grouped together after the old French model of plein air painting expeditions where one artist can advise and encourage several students at a time. There will be a prize category specifically for students currently enrolled in school. Students participating in the Oglebay paint out will do so without a registration fee.

Participating artists will compete for cash awards. (Amounts determined by the number of entries, Corporate Sponsorships, Business purchase awards, Foundation support, State and local Grants.) The Sunday Quick draw will be a non-judged event, painting anywhere within the city of Wheeling, followed by a public auction. The auction would be on a 50/50 basis where the artist receives 50% of the sales price and AAT the other 50% for the purpose of funding future events.

Additional events will possibly include: Artist meet and greet times, Evening artist studio visits, informal artist gatherings for evening meals.

**Awards Event:** Sunday Afternoon awards event/reception (*in place of a Saturday Art Walk reception*)

**Registration and Cost:** Early registration cost of the “Paint Out” will be \$40.00 for each artist registration received prior to July 29,2022, after that it increases to \$50.00. Generally, the guest artist will gift a painting or other consideration to their host for the extended hospitality. AAT will not be in the business of arranging accommodations! Should there be a large number of artists register, we might approach a venue with the idea of providing a discount for each registered artist.
